ZENITH LEARNING - YOUR PARTNER IN EDUCATION  
BEFORE AND AFTER-SCHOOL PROGRAMS ACROSS TEXAS

FEBRUARY 2019

## FRIENDSHIP MONTH

Students will focus on friendship skills for the month of February. It is not necessary to be friends with everyone we come into contact with, but it is important to be friendly. Staff members will discuss scenarios involving respecting differences, creating small talk, listening to others and showing an interest when someone is talking. Students will practice ways to display friendly behavior and discuss how friendships are formed.

We work hard to build teams within Club Zenith and ensure students feel like they belong. We want to make after school hours memorable!

### Monthly Celebrations

Each site is provided a list of "special days" for the month. These range from official national days to playful and unique celebrations. Ask your child about our celebrations for February! They include: thank a mail carrier day, wave all your fingers day, make a friend day, Pluto day, floral design day and tell a fairy tale day!

We love to include celebrations and believe it's fun to incorporate them throughout each month. They teach children to enjoy life knowing each day is a gift. We can always find a reason to celebrate and make memories!

### Main Office Reminders

For your child's safety, please have your photo ID ready upon pick up or notify your site director by email for any changes in pick up.

If you are needing to cease enrollment at any time, please note there is a two-week drop notice per the parent agreement on-line. Notice must be provided by email at [info@zenithlearning.org](mailto:info@zenithlearning.org).

General account questions are best answered through [info@zenithlearning.org](mailto:info@zenithlearning.org)

# ZENITH PREMIER, INC.

*dba Zenith Learning*

Academic time is a focus for our daily program. We work to ensure homework is completed and incorporate academics into games, activities and celebrations. The picture is an example of our "thesaurus day"!

We want to enhance what the children learn during the school day and help them apply the concepts. We love what we do and work hard to make a difference!

## Small Connections Make Special Moments

At Club Zenith, we know family relationships are most important. Our sites work to incorporate small moments at pick up with high five stations, hug stations or even with opportunities to write your child a short note. You can continue these ideas at home with the following suggestions:

**Red Dot** - place a red dot by the front door. Every time you enter together or leave together stop and do a big group hug!

**Super Hero Pose** - post a superhero poster or station. Create a family superhero pose where on the count of 3, every one stops and yells "ha" and strikes their pose together.

**Give Me 5** - stop and ask your child to tell you any five things about his/her day and you just listen and give them a high five at the end!
